

Healthy Coffee Opens New Sales Office and Warehouse in Yorba Linda, CA to Prepare for Major USA Sales Campaign

NEWPORT BEACH, CA, Nov 05, 2009 (MARKETWIRE via COMTEX) -- Healthy Coffee International, Inc. (PINKSHEETS: HCEI) has opened a new sales office and warehouse facility in the Savi Ranch Parkway business complex, Yorba Linda, CA, to prepare for a major USA sales campaign.

Rick Aguiluz, CEO of Healthy Coffee International, commented, "Our new shipments of Healthy Coffee just arrived from Malaysia, and this new facility is bigger than our previous warehouse in the City of Industry. The location is excellent, and is on the same street with Staples, Costco, Best Buy, Michael's and other big names. We foresee that we will need to expand our warehouse facilities quickly, and this location gives us this flexibility because of the available warehouses within the complex."

Bing Alabanza, VP Business Development of Healthy Coffee USA, added: "This new facility will enable us to handle our projected seven figure per month sales by November 2010. It also serves as a blueprint for our international offices."

ABOUT HEALTHY COFFEE INTERNATIONAL, INC.

Healthy Coffee International, Inc. is focused on bringing health to the world's largest and most popular drink, coffee. The company's proprietary formulas combine the health benefits of Ginseng, Reishi Mushroom, and other top quality ingredients with the world's finest coffee beans to create a line of deliciously healthy instant gourmet coffee drinks. Healthy Coffee is well positioned in the market place at the intersection of three mega-billion dollar industries: coffee, wellness and energy drinks, and has quickly established offices in 9 countries and distributors in 28 other countries through its marketing subsidiary Healthy Coffee USA, Inc. (www.HealthyCoffee.com) which uses a simple and unique Internet-driven international business model that allows the average person to own and operate a local, national, or international coffee distribution or coffee house business with very little capital investment or overhead.
